

INTERCUT - INT. JAMIE'S HOUSE - DAY/INT. CALL CENTER - DAY

CARRIE

Hello?

MANAGER (V.O.)

Good Morning! Would you be able to come in today?

CARRIE

I can't. I'm out of town visiting my brother. Didn't I request off?

MANAGER (V.O.)

You did, but Rachel quit. We really need someone to cover her shifts for the rest of the week.

CARRIE

Okay... I'm across the country right now. I can't just leave.

MANAGER (V.O.)

You're expected to maintain a level of commitment while employed with us. I understand life gets in the way sometimes, but we need you here as soon as possible. I'm sorry.

CARRIE

Well... I'm gonna have to make travel plans, talk to my brother. I guess I could be there for the day shift tomorrow?

MANAGER (V.O.)

Well, I'll take it. Thanks, Carrie!

The manager hangs up. Carrie takes a deep breath and stares off into space for a moment.

She nudges Jamie awake. He stirs, looking confused.

CARRIE

I have to go. Work.

Jamie falls back into the couch.

JAMIE

Okay. Give me a minute.

## 10. INT. JAMIE'S CAR - MORNING

The siblings are visibly hungover, staring death in the face, as Jamie drives Carrie to the airport. There is complete silence between them.

They pull up to the airport, and Carrie leaves the car.

CARRIE

I'm sorry.

JAMIE

It's okay. Some other time... I  
love you.

CARRIE

(nodding)  
Love you too.
